As an addendum to the Retail Installment Sale Contract ("Contract") that I signed for my purchase of the above motor vehicle ("Vehicle") and dated this same day, I understand that the Vehicle I am purchasing is equipped with a Payment Assistance Program System ("Device"). The Device includes a global positioning system ("GPS") electronic tracking unit that can determine at any time where the Vehicle is located. This Device will not be used to monitor my driving habits or practices (e.g. speeding). The Dealership will not provide other parties with access to the Device, unless your note has been sold to a third party or required to do so by law, or to enforce any rights the Dealership may have to secure any payments due and/or to secure repossession of the Vehicle as allowed by law.

The Device may also include Starter Disable capability which the Dealership may need to activate or deactivate. If I fail to make a schedule payment on or after that due date, the vehicle may be disabled and the Vehicle will not start.

**PLEASE READ AND SIGN BELOW TO INDICATE YOUR UNDERSTANDING AND
ACCEPTANCE OF THE TERMS REGARDING THE PAYMENT ASSISTANCE
PROGRAM AND CONSENT FOR INSTALLATION:**

I understand that installing and maintaining the Device in the Vehicle is a material condition for the Dealership to finance the purchase of the Vehicle. I may be able to purchase a vehicle from another dealership that may not require installation of the Device. I voluntarily choose to purchase this Vehicle and consent to having the Device installed.

I understand that the Device's GPS electronic tracing unit may be used by the Dealership to identify, monitor and record locations of the Vehicle. I consent to having the device installed.

I understand that the Device is the property of the Dealership. If I tamper with, alter, disconnect or remove the Device, I will be in default under the contract and this disclosure and consent. Upon completion of all payments and monies due the Dealership, the Device will be removed.

I understand that the Device has a GPS electronic tracing unit. If I fail to make a payment, the Device will be used by Dealership to trace the vehicle's location for the purpose of assisting in the Vehicle's repossession. I understand that I have waived and have no right to privacy regarding the Dealership's use of the Device, and I hereby waive any and all rights based on such right.
